Cutera ProWave IPL

Now men and women alike are making unwanted facial and body hair a thing of the past thanks to the Cutera ProWave hair removal system. No more painful waxing, electrolysis or razors!

The ProWave delivers 21st century technology for treatment of this distressing problem. The ProWave hair removal system delivers a specially tailored light source for permanent hair reduction and can treat a wide range of skin types and tones safely and effectively.

Cutera LimeLight Facial

The LimeLight Facial is a new, non-invasive approach to skin rejuvenation using Cutera's LimeLight. The procedure offers the advantage of improving skin tone and surface imperfections associated with aging and photo damage also stimulating collagen production. The LimeLight Facial is ideal for any part of your face, neck and décolleté with skin redness, telangiectasia (tiny veins) or brown spots. Light (low contrast) brown spots, which were previously difficult to resolve, respond very well to treatment.

Cutera AcuTip 500

The acuTip can remove bothersome small, facial veins quickly without bruising or complication. Cherry angiomas found on all parts of the body also respond very well to AcuTip vein therapy, usually with just one treatment.

Our Cancellation Policy

We know your time is extremely valuable, how do we know this? Because our time is valuable too!

To be straight up, when you book in an appointment, we lock out that time just for you. If someone else calls and wants that same timeslot, we politely turn them down because we've reserved that special time for you.

That means, in the unfortunate event that you need to cancel, we may end up losing business. So, that's why we need our Cancellation Policy - to make sure we're here in many years to come to continue looking after you.

Here's our policy, which we believe is fair for all our valued clients:

We ask for 24 hours notice when you need to reschedule or cancel. Otherwise, 50% of the treatment charge may apply. If you don't show up for your appointment, we will charge for the full price for the missed appointment. Plus, treatment appointments of an hour or over require a 50% deposit.

We know you make your booking with good intentions. So we look forward to seeing you again soon at Cambridge at Mishka.
